**INFORMATION REGARDING ITEMS DEACCESSIONED FROM THE COLLECTION OF
THE PENNSYLVANIA HISTORICAL & MUSEUM COMMISSION**

May 8, 2019

The following artifacts have been deaccessioned from the collections of the PHMC. This list is being circulated in the event that items may be of interest to your holdings.

If there is any item about which you desire more information, please contact me by email maryjmille@state.pa.us, by telephone (717)783-9232 or by mail at the address above.

The PHMC places a high priority on keeping objects in the public domain. Whenever possible, deaccessioned objects will be sold, exchanged, or transferred to responsible, non-profit, educational institutions whose missions are relevant to the deaccessioned objects, and who will adequately care for the objects and ensure the general public's access to them. The Pennsylvania Historical and Museum Commission recognizes a limited number of objects have nominal market value and will consider proposals to transfer some objects to other institutions at no cost to the recipient beyond the costs of shipping/transportation. We would ask, however that you express any interest you might have in these items by June 24, 2019.

Thank you for your interest.

Sincerely,

Mary Jane H. Miller
Head of Collections Management
